**Geo**

Hi everyone!

My name is *Geo*. I am a South African who has lived in Japan for 2 years. I have met and taught many wonderful people and I look forward to meeting all of you as well.

I am passionate about many things such as sport, movies, tv dramas, traveling, gaming and music.

I spent 5 years at NWU (North West University), where I completed my LLB and Diploma in Business management. I studied Law because I have always been interested in helping people.

I moved to Okayama in 2020, where I taught English for 2 years. During this time, I met and helped many children just like you.

I look forward to helping you improve your English, so that you can make many new friends in the future.
